

License

All files are distributed under a Royalty Free license. You may use them in commercial and private projects, client work, printed materials, digital media, presentations, videos, and other visual communication. Attribution is not required.

Allowed Uses

You are permitted to:

- Use the mockups in unlimited commercial and private projects
- Use them for an unlimited number of clients
- Modify the PSD file in any way
- Export and distribute closed formats such as JPG, PNG, TIFF, or flattened PDF
- Charge clients for any work created using the mockups

Limitations

You are not allowed to:

- Redistribute PSD files (modified or unmodified)
- Sell, share, or upload the mockups on any external website
- Upload the PSD file to stock or microstock platforms
- Share any open or editable formats

These restrictions apply to both modified and unmodified files.

Ownership

All mockup files provided by mockups-design.com — including legacy mockups originally published under “smartymockups.com” — are the exclusive property of the owner of mockups-design.com. Some mockups may contain preview graphics or filenames referencing the former brand; this does not affect their current ownership or licensing.
